Remarks

Acceptance of Formal Drawings

Applicant has reviewed the file history and noticed that the Examiner has not indicated that the drawings have been accepted. Formal drawings were filed with the application on August 27, 2001. Applicant respectfully requests acceptance of the drawings.

Comments on Statement of Reasons for Allowance

While the Applicant agrees with the position of patentability of the claims, Applicant does not believe the paraphrased reasons of patentability (starting on page 2 of the Notice of Allowance) fully reflect the scope of the claims. Applicant respectfully submits that the scope of each claim is based on the language corresponding to that claim and their equivalents.

Respectfully submitted,

PETAR KRAGULJAC (Reg. No. 38,520)
